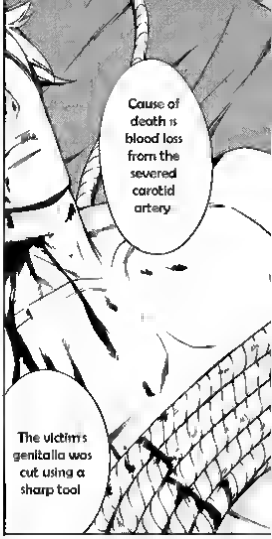
Terajima speaking... Oh, Dad? You're going to Hawaii? So nice!
What? Your dog? No way! Not happening! I'm not taking it in!

Are you going to tell your dad about us?
.....
Hm?
I see.
Nah.. No way!
when you found someone and you wanted to have a serious relationship with that someone, would you keep it hidden from your own parents?
Let s just say ..
It s not like we HAVE TO tell them
Sooner or later we'll have to tell them.
I'm hiding this from my mother as well it feels like I'm deceiving her, though

I can see this point. Keeping quiet would certainly be easier...
All right... so he has no plan to tell his dad about us.
Well.
Things will get complicated. It's better to keep quiet about it
.....
Then again, I have no right to complain, since I'm still not sure whether I really love him or not.
What's wrong, Koga-chan?
No-thing's wrong
I'm going to bed.
.....

Whoa~ What in the world is this?
A bizzare murder, huh...

What, a Sada Abe copycat crime?
I don't think it's possible for a single woman to have done this.
Hanging a man this big would be difficult for a woman



T/N http://en.wikipedia.org/wiki/Sada_Abe

What? Does that mean he'd love a man even without a dick?
I wonder where his severed genitalia is.
Having that thing cut... He's over as a man.
It's probably cut after the victim died. Since he was already dead when it was cut, he had nothing to be depressed about.
Good point..
It doesn't matter

AUTOPSY ROOM
Whot?
I found something interesting

Was it found inside his body?
Yeah... it was in his anus.
We found the victim's genitalia
Where was it?
Humiliation right, it must have been done to humiliate him ..
Maybe
No kidding really?
That's humiliating.

I never liked him from the start and it turned out I was right
He got along well with my mother and started coming over frequently
The first time he came into our house was when I just entered middle school

He said he's going to help me with my study, but when we were alone...
he sexually abused me.

I was so scared and it was very sickening, I was too afraid to tell anyone. And so he kept on violating me...
After a while he got tired of me and my mom and stopped coming over. I thought I was freed from that hellish life,
If what you want is revenge... Why don't you go for him?
but I was wrong I guess my mother thought he was going to marry her After he abandoned us, she started behaving violently
In the end, she chose to commit suicide.
Why of course
But he is a superintendent, it's hard to touch him
So I am doing a rehearsal with those sex criminals.

The way they were shaking and begging for their lives is truly hilarious.
Damn, you're so annoying.
clink
Just like this chicken

Time to bring judgement to the superintendent.
Well...
what should I do with you?
By the way,
Damn... I'm losing consciousness

Hm?
A voice mail from Terajima?
The real culprit is that vet
!?
I've got to take Hana out for a walk when I get home.
rustle
rustle
After I'm back I want to continue our previous discussion
Shaka-san is trying to cover up the case, and the superintendent is involved, too I'm going to infiltrate his clinic before he tries to get away Send me some back up

That jerk... acting alone again!
I love you. See ya!
DAMN IT!!

Kanemura's confession is valid, and there's nothing strange about it.
But like Terajima said... it doesn't feel right somehow.

おこ
KOKUTO

He's the one whose eyes are clouded.
"I DON'T CARE IF HE'S YOUR FRIEND OR WHATEVER... YOUR EYES ARE DEFINITELY GETTING CLOUDED BY HIM."

What's wrong?

Yeah, but this doesn't feel right.
Okay...
Nothing.
I just want to investigate Kanemura
Huh? Isn't Kanemura's case is done? Shouldn't we focus on finding any accomplice?
I think it was around last month... He was bragging like he's done something amazing.
I see...
会社
作所
Kanemura, huh?

Nah... It was way beyond his income.
And I think he started saying weird things and using the money after some man in a suit come for him
Maybe the money was his saving?
And after that, he started spending a lot of money.
Salary-man...
Hmm- He's really plain... like a regular salaryman
What does that man look like?

All the evidence are there and he himself confessed.
Hey, Yasuda... Do you really think Kanemura is the culprit?
But I'm surprised that he could pull this kind of crime with that small brain of his
Looks like he's thinking the same thing...
I know, but don't you think something's off?
If he's taking the blame for money, don't you think the disadvantage is too great?
If we take on the fact that the motive of his previous crime was to show himself to the world,
then presenting himself as this century's Sada Abe copycat would be in his favor don't you think?
But he gets public attention.

I'm starting to get suspicious, too
All right, let's look into Kanemura then.
Looks like there's no chance Yasuda is involved...
gasp
I begin to doubt him...
b...cause of Terajima...

What is it?
Ah, nothing.
I think we should talk about this...
purrrr
pull
I see now. It means I believe in Terajima more than in Yasuda.

I wonder when your master's going to come home from Hawaii

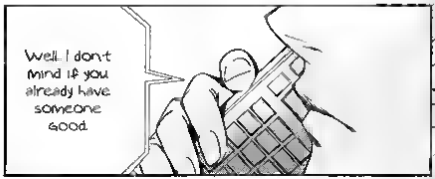
brrrt brrrt

I'm sorry, I'm in the middle of a big case right now
Crap... It's mom.
Hello
Yeah, you're always in one. I'm coming over sometime soon with some marriage proposals
You finally answered my call

You really should hurry and settle down.
I've chosen some good girls so you won't fail again.
I'm not interested right now.

Aah, not right now



Well, I don't mind if you already have someone good.

Someone good, huh?
If I tell her the truth, will it free me from those bothersome marriage proposals?

How did you find the culprit just now?
Ah, that...
Shaka Goori did what...?!
He said he's not good with corpses so he doesn't look at them much.
But at the scene where that knife was found he was staring at the body all alone.
He must have planted the fake evidence.
Anyway, let's return to the precinct.
Yeah.

A photo of him and his mother, huh...

You really don't want to get yourself checked at the hospital? He gave you a shot, right?
It was just some tranquilizer. Don't mind it, I'm fine.
Phew, how refreshing.
Yasuda, why are you so far away?
Ah— just... I don't want to bother

The super-intendent has been abducted!
Bad news!!
Haah. There's no need to think too much of it...
SLAM
!
Let's move.
It happened before our security arrive...
He was taken from his home by a group of masked men
KEEP OUT

This is no time to be blaming yourselves.
We have to track down the culprit
Don't blame yourself It's my fault for acting on my own
If only I had informed them earlier...

A statement, huh... It means he's still alive.
New information has just come in regarding the abduction of the police super-intendent
It seems to be a statement from the criminals.
"The super-intendent has sexually abused and destroyed my family, it's time for him to receive retribution."
刑事課
Where has he gone to..
Sirs, listen to the news

Oh, yeah... before I passed out,
I heard him say, "I'll make him go through the same sufferings my mother did."
The same sufferings... but didn't his mother commit suicide?
Hmm-
This looks like in front of an apartment. Like they just moved in.
Maybe they lived there in the past?
Go through the same sufferings in the same place.. maybe?

What are you going to do to me?!
Why... of course we're going to kill you.
S...stop this!
Back then I said the same thing again and again Yet you didn't stop, did you?
Uh...!

I guess the great police superintendent is just a pathetic old fart.
To think we're going to kill a guy of such high position. Now I'm getting excited.
Then let's cut this thing.
Hii!
BAM BAM BAM
BAM BAM ドン ドン
You're in there, Doc?
Whoa, this is bad!
BAM
BAM
You two, hurry and escape through the back window
They found this place, huh...

That's as far as you go!
You're all under arrest.
Oi! Be quick!

There's nowhere to run Just come out
I've come this far, it doesn't matter how many more I kill
Don't commit anymore sin

I know.
You know killing him won't heal your wounded heart.
Thanks to your statement, the superintendent is socially damaged now. Isn't that enough?
Good point. Maybe letting him live in shame is a better revenge.

He's going to the building across the street!

Be hoppy, he said.
Hoppy, eh..
Well then I'm going back now And uhm... be hoppy, you two.

If you think it's gonna be a burden for you... you should get away from me.

Are you really gonna do that?
I won't tell her it's you, don't worry
I'm starting to think I should just tell her the truth
Terajima
or you won't be able to return to the central
I said all those things because I don't want people to look at you differently,

I guess you do. I'm becoming over-protective aren't I?
It's because you're cute
I'm an adult. I know the consequences
Hold
Hana's the only one that needs over-protection

Look at you You're aroused.
Well, it's been a while no? I can't count how many times I did it with you on my mind
Hey, hey, you're not supposed to say that in front of the person!
How about you, Koga-chan?
I never do it alone.
How stoic. That's what I love so much about you, though...
Well... actually I'm at my limit, too...

I don't think I can hold on any longer, even though we've just started
You don't need to act tough just come

Koga's Decision
There's still a lot where that come from
Just when I thought I could be together with Koga-chan, his mom came to stay for a while
Yummy!
Why are you here, Dad?
Oh, yes.. a friend of mine invited me to a flower arrangement exhibition, but I don't know the place.
I invited him
Am I not allowed to?
Oh my— you would do that?
If— if you don't mind, I'd guide you there.

Looks like it'd be just the two of us then!
Yes, I guess so.
What about you two?
I'm not interested in flowers...

Ugh.
So you ARE falling in love with her...
Mrs Koga is such a lovely lady~
What... are you falling in love or something?

The next day.
Finally there's just the two of us! Now before they come back—
She'd eventually go home. It won't be long
Na, I'd be devastated by then.
You're hopeless.
Doing this kind of thing during the day somehow feels immoral...
That's what makes it exciting, na?

Why? Let's try the missionary position!
No.
Lie down on your back.
You're getting used to it.
I don't want you to see my face...
I'll probably make the same horny face, so you don't need to worry about me seeing yours!
Koya-chan...

By the way...
I think my dad is falling in love with your mom...
Well, Mom doesn't seem to mind
Don't tell me they're going to end up marrying each other?
If that happens then you'll become my big brother, huh?

No way!
It's just that. I wonder if you'd mind?

Hey, what are you going to do if we really become siblings?

Let's see..
When that happens I'll tell my mom the truth
Then I'd also tell my dad.
Oh, Ryuuji-san .. you're here.
Ah, good day
Well then, if you'll excuse me.

I'm home.
How was the exhibition? Did you enjoy it?
Yes, very much.
